

Tool cart

Everything at arm's reach

Hand in hand for tomorrow

Maximum clear arrangement with minimum space requirements with the tool cart from SCHUNK

The SCHUNK tool cart redefines tool organization and allows for fast availability, directly at the machine. In comparison to conventional solutions, the SCHUNK tool cart offers a large number of available storage locations for different tools and also helps to prevent accidents at work.

Advantages – Your benefits

- + Minimal risk of accident**
The sharp cutting edge of the tool is always pointed away from the worker
- + Well-arranged organization**
Eliminates time-consuming searching for tools
- + Large variety of possible mountings**
For up to eleven different toolholding systems and the largest variety of tools with a length of up to 530 mm
- + The largest possible variety of mountings**
For up to 156 toolholders
- + High-quality materials**
Ensure long life span
- + Resistant to oil and UV**
Can be used in all areas
- + Customer add-on options possible**
Such as choice of color of lateral wall or pot tray
